

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** Stick

**Setup:**

1. Use the Strong Slots package
2. Put your X/square receiver on an out route
3. Put your Y/triangle receiver on a fade route
4. Put your B/circle receiver on a streak route
5. Put the A/X receiver on whatever route you would like

**Reads:**

1. Your first read is your Y/triangle receiver deep against a cover 3 defense. Lead pass to the left sideline
2. If he is covered, look to the A/X receiver

**Overview:** If you see a cover 3 defense pre-snap, you know that you can call this play and get 40+ yards or a touchdown.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** PA Seam

**Setup:**

1. None required
2. (Optional) Put the B/circle receiver on a streak route

**Reads:**

1. The X/square receiver will get open against any defense in Madden 18 as long as your opponent doesn't user defend it
2. If he is covered, throw to one of your receivers in the flat

**Overview:** You will want to mix this play in once you have established the cover 3 beater from this formation. This will make your opponent key in on the left side of the screen and it will open up the right.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** PA Seam (Part 2)

**Setup:**

1. Put your running back or A/X receiver on an out route and motion him to the left
2. Put your Y/triangle receiver on a fade route

**Reads:**

1. Your first read is the Y/triangle route on the cover 3 beater deep
2. If he is covered, look to the X/square receiver on the right

**Overview:** This play combines the cover 3 beating concept with the route coming over the middle of the field that beats all of the different coverages.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** Bench Swap

**Setup:**

1. Put your X/square receiver on an out route
2. Put your Y/triangle receiver on a fade route
3. Put the A/X receiver on a streak route

**Reads:**

1. If it is cover 3, throw to your Y/triangle receiver deep
2. If it isn't cover 3, look to your running back in the flat first
3. Then look to the B/circle receiver if he is covered

**Overview:** This is another good play that beats most coverages in the game.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** PA Stop

**Setup:**

1. Put your X/square receiver on an out route
2. Put your Y/triangle receiver on a fade route
3. Put your B/circle receiver on a streak

**Reads:**

1. Against cover 2 defenses, you can fit it in to your B/circle receiver over the middle (lead pass inside)
2. Against cover 3 defenses, you still have your Y/triangle receiver
3. You can also playmaker your X/square receiver up the field

**Overview:** We are continuing to build on our concept by playmaking the X/square receiver up the field by rolling out a little to the left and pressing the right stick up twice to get our X/square receiver open.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** Mesh

**Setup:**

1. (Optional) Block the running back or put him on a curl route

**Reads:**

1. Look to one of the receivers on the drag routes

**Overview:** This play is really important to keep your opponent honest so he can't blitz you or user a deep safety to take away our deep pass.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** Aggie

**Setup:**

1. Put your B/circle receiver on an in route
2. Put the A/X receiver on a curl route
3. Block your running back

**Reads:**

1. Your first look is to your Y/triangle receiver in the flat
2. If he is covered, look to your X/square receiver on the corner route
3. Then look to your B/circle receiver on the in route

**Overview:** This play attacks the sidelines short. Mix it in with the Mesh play to keep your opponent honest.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** Any Passing Play (Cover 4 Beater)

**Setup:**

1. Put your outside receiver on a fade
2. Put your inside receiver on a streak

**Reads:**

1. Lead pass towards the sideline (away from the safety) to the receiver on the fade route

**Overview:** This play does a great job of beating cover 4 defenses deep. You will want a fast receiver on the fade route.

**Playbook:** New York Jets

**Formation:** Gun Tight Slots

**Play:** Any Passing Play (Cover 2 Beater)

**Setup:**

1. Put your X/square receiver on an out route
2. Put your Y/triangle receiver on a fade route
3. Put the A/X receiver on a streak route
4. Put your B/circle receiver on an in route

**Reads:**

1. Pass lead inside to your Y/triangle receiver (see video for timing)
2. Your bailout option is your B/circle receiver on the in underneath
3. If it is a cover 3, pass it to your Y/triangle receiver (pass lead outside)

**Overview:** This play beats any coverage but we are showing it against a cover 2 defense in this video.

**Playbook:** New York Jets

**Formation:** Singleback Wing Pair

**Play:** PA X Burst Cross

**Setup:**

1. Put the X/square receiver on a streak route
2. Put the B/circle receiver on a smart routed in route

**Reads:**

1. Your first look is your running back in the flat
2. If he is covered, hit the A/X tight end on the left
3. If he is also covered, look to the B/circle tight end

**Overview:** This play beats every coverage in the game and can get the A/X tight end open for 25-30 yards against a lot of defenses.

**Playbook:** New York Jets

**Formation:** Singleback Wing Pair

**Play:** HB Dive

**Setup:** None required

**Overview:** This is a really effective running play especially when you mix it in with the PA X Burst Cross play.

**Playbook:** New York Jets

**Formation:** Singleback Tight Slots

**Play:** HB Pitch

**Setup:**

1. Motion the slot receiver or tight end to the other side and snap it before he get set (see video for positioning)

**Overview:** You can flip this play to either side so your opponent can't overload one area of the field.

**Playbook:** New York Jets

**Formation:** Singleback Tight Slots

**Play:** HB Dive

**Setup:**

1. (Optional) Motion a slot receiver or tight end to make it look like the HB Pitch play

**Overview:** This is an extremely difficult 2 play running scheme to defend against.

**Playbook:** New York Jets

**Formation:** Singleback Tight Slots

**Play:** Stick

**Setup:**

1. Put your X/square receiver on an out route
2. Put your Y/triangle receiver on a fade route
3. Put your B/circle receiver on a streak route
4. Put the A/X receiver on whatever route you would like and motion him to the left (see video)

**Reads:**

1. Against a cover 3 defense, hit the Y/triangle receiver deep (lead pass towards the sideline)
2. Look to the tight end if your primary route is covered

**Overview:** This is an extremely versatile concept because it beats cover 3 deep and looks exactly like the running plays from this formation.

**Playbook:** New York Jets

**Formation:** Singleback Tight Slots

**Play:** HB Wheel

**Setup:**

1. Put your Y/triangle receiver on a streak route
2. Put your B/circle receiver on an out route
3. Block your running back
4. Do whatever you want with your tight end
5. (Optional) Slide protect to the right

**Reads:**

1. Against a cover 3, look to your X/square receiver on the deep post

**Overview:** This is a deep shot against cover 3 defenses. It attacks the cover 3 using a post route instead of our normal out route/fade route combo. Remember, any of these plays can be flipped and ran to the other side so your opponent can't key in on one side of the field.

**Playbook:** New York Jets

**Formation:** Singleback Tight Slots

**Play:** Deep Post

**Setup:**

1. (Optional) Block your running back
2. Motion your B/circle receiver to the left

**Reads:**

1. You have 3 different levels on this play. Just read which receiver gets open. See the video for the reads.

**Overview:** This play is a completely different concept and can work well against any coverage.

**Playbook:** New York Jets

**Formation:** Singleback Tight Slots

**Play:** Any Passing Play (Cover 4 Beater)

**Setup:**

1. Put your outside receiver on a fade
2. Put your inside receiver on a streak

**Reads:**

1. Throw it to your outside receiver on the fade route (lead pass towards the sideline)

**Overview:** This play beats cover 4 deep and is hard to user defend against.

**Playbook:** New York Jets

**Formation:** Gun Y Trio Offset Wk

**Play:** PA Mtn Shot

**Setup:**

1. Hot route your B/circle receiver to a streak route
2. Slide protect right (and try to rollout right if possible)

**Reads:**

1. Your first read is the X/square receiver over the middle
2. That first receiver will often will be covered, so then you have a timing route to your R1/RB receiver. (Lead pass to the sideline and possession catch it)

**Overview:** This is a great play against any sort of zone coverage.

**Playbook:** New York Jets

**Formation:** Gun Trey Open

**Play:** Y Corner

**Setup:**

1. Put your B/circle receiver on a smoke screen
2. (Optional) Block your running back

**Reads:**

1. You have a high low read between the B/circle receiver on the smoke screen and your tight end on the corner route
2. If they are both covered, look to your high low read in the middle of the field between the L1/LB receiver and the X/square receiver

**Overview:** This is a nice play to mix into your scheme just to give your opponent a different look.
